Friday, November 14
1 pm - 4 pm

Durham District School Board Education Centre
400 Taunton Road East, Whitby

CTRL+ALT+EDUCATE is a dynamic event for K-8 students and their families
to explore innovation, modern learning experiences and artificial intelligence.

For K-8 Students: Get hands-on! Dive into activities packed with engaging experiences designed
to spark curiosity and creativity. Come build, create, and discover!

For Parents & Caregivers: Become an informed partner in your child's education by attending
our brief, practical learning sessions.

- Harnessing AI to support and elevate reading and writing skills
- Utilizing AI in supporting students needs
- Learning about the specific AI technologies currently being used in our schools
- Bridging communication and learning gaps for multi-language learners
- Discovering applications of AI in math
- Engaging in innovative and modern learning experiences for students

Students must be supervised by a caregiver for the duration of the event.
